

Workshop: “Modern Technologies- New Services”

City Hall, Arta

19/03/2010

The Municipality of Arta held a special workshop under the title “Modern Technologies- New Services”, on Friday, March 2010, at the City Hall of Arta. Those who attended the event had the opportunity to learn about the results of the electromagnetic radiation measurements and two new pilot projects realized by the municipality of Arta: the digital mapping of underground, above-ground and aerial networks (e-arta) and e-Deliberation.

IMC Technologies participated as partner of the project on e-Deliberation, presenting the company's perception and work on the project.
